## MEDIA RELEASE

Tomorrow, Tuesday March 30, 2004, at 10:00, am at the Kansas Bureau of Investigation headquarters, 1620 SW Tyler, Topeka, KS, the KBI and accessKansas will announce a new way for Kansas citizens and businesses to obtain criminal history record checks - directly over the Internet. The enhanced access to record checks is anticipated to be of substantial value in checking on potential employees, verifying personal histories, certifying and licensing, genealogical research, qualifying persons for positions of trust, visa applications, adoptions and other personal endeavors. There will be remarks by Attorney General Phill Kline and a live demonstration of the new system.
